INTRODUCTION

Established in 2006, Rhea Engineering Works is a pioneering manufacturing and trading firm specializing in high-quality wiring assemblies and switchgear components. With a legacy in wire harnessing dating back to 1998, our innovative and ambitious team has a proven track record as industry path-breakers, notably being among the first to master complete panel wiring even before fabrication materials were on-site. We also offer fabrication services . Our deep technical expertise ensures precision and efficiency for every project.

Locations

Plant-1 W-4 MIDC SATPUR NASHIK,
Plant-2 N18 NAGAPUR PHATA AHMEDNAGAR,
Plant-3 C-10 Nice Gala no 12,13,15 MIDC Satpur.

MISSION

"At Rhea Engineering Works, our mission is to deliver superior wiring assemblies and fabrication solutions that exceed international quality standards. We leverage our decades of expertise and ISO 9001:2015 certified processes to foster honest, transparent partnerships with our clients. By empowering a young, ambitious team and focusing on continual system improvement, we ensure precision, efficiency, and total customer satisfaction in every component we manufacture."

ASSEMBLY LINE NASHIK

ASSEMBLY LINE AHILYANAGAR

Automated tools

Our facilities are equipped with high-speed wire cutting and stripping machines, alongside versatile crimping solutions including battery-operated hand crimping, bench-mounted, and movable pneumatic crimping machines.

Testing Equipment

RHEA ENGINEERING WORKS

To ensure the highest standards of safety and performance, our facility is equipped with dedicated quality control and testing infrastructure. We utilize high-precision AC/DC testing trolleys for comprehensive electrical validation, along with specialized push-pull testers to verify lug integrity.

AC / DC TESTING TROLLEY

**PUSH PULL TESTER FOR LUG
CRIMPING TEST**

Ferrule and Label Printing

RHEA ENGINEERING WORKS

To ensure clear identification and long-term serviceability, we utilize advanced ferrule and label printing technology capable of handling various industrial specifications.

NEW ADDITION

To further enhance our integrated manufacturing capabilities, Rhea Engineering Works has expanded with a newly commissioned, state-of-the-art fabrication shop featuring our own laser cutting, precision bending, and advanced welding machines.

Reflecting our technical excellence and reliability, we are proud to be the sole EV cabinet manufacturers for Siemens Jalgaon, a partnership that underscores our ability to meet the most stringent international engineering standards while delivering cutting-edge solutions for the future of electric mobility¹⁴

WIRED LV BOX

WIRE HARNESS

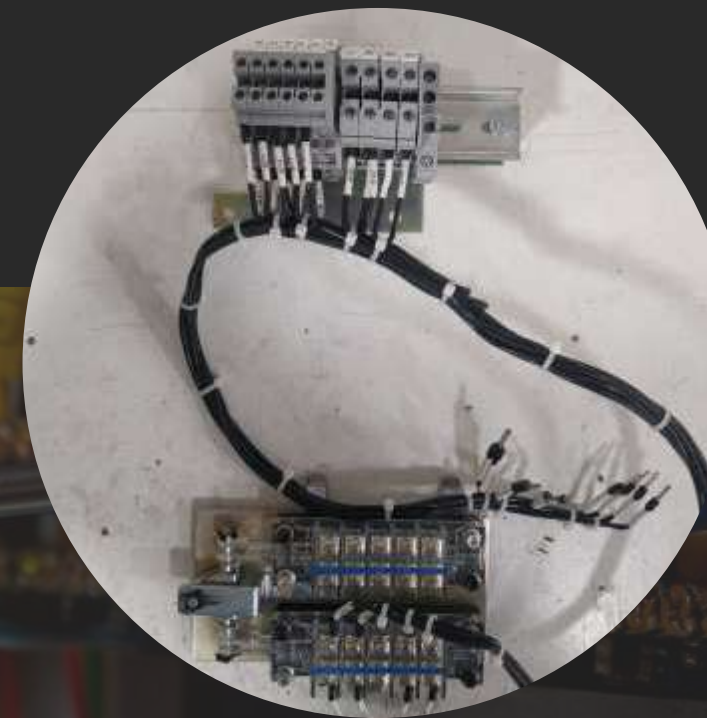

We provide an extensive range of custom wire harnesses designed to meet the diverse technical demands of various industrial sectors.

Corporate Social Responsibility

At Rhea Engineering Works, we believe that our growth should be harmonious with the environment and the well-being of our community. As part of our Green Initiative, we have successfully conducted tree plantation drives, actively contributing to local reforestation and environmental sustainability. For us, CSR is not just a corporate obligation but a commitment to leaving a healthier planet for future generations, reflecting the same care and precision we apply to our engineering solutions.

Social Responsibility & Culture

Beyond our environmental efforts, we take immense pride in our vibrant and inclusive organizational culture. We believe that a happy team is the foundation of a successful business; therefore, we regularly celebrate every team member's birthday as a collective family. Furthermore, our workplace is a melting pot of traditions where we celebrate almost all major festivals together. These celebrations foster an atmosphere of unity, mutual respect, and joy, ensuring that every individual at Rhea Engineering Works feels valued and motivated to achieve our shared mission.

AWARDS!

Our Endeavour

Driven by a legacy of excellence since 1998, Rhea Engineering Works is committed to redefining the standards of electrical panel integration and fabrication. Having achieved a significant turnover of ₹16.74 Crore in FY 2024-25, our journey is marked by steady growth and a relentless pursuit of technical innovation. Our mission remains clear: to blend our ISO 9001:2015 certified quality with cutting-edge and versatile wire harness solutions. By fostering a culture of transparency, environmental responsibility, and collective celebration, we strive to build lasting partnerships that power the future of the switchgear industry.
